**OSE Kudoboard
CardinalEngage: Leadership Transition**

If you have successfully transitioned out of your leadership role, please *forward this email* to your newly elected leaders. More information is below about our annual registration process in CardinalEngage.

Dear Student Organization Leaders,

We are heartened by the progress we have made as a community in response to the pandemic and we are looking forward to phase-in more opportunities this Summer to safely gather on campus, while also planning for a vibrant in-person Autumn Quarter.

Our two implementation teams on [classification](#) and [finance](#) have started their work and have been meeting with students, staff in ASSU, Community Centers and other group advisors. We are also in the process of reaching out to the students who have expressed interest in providing feedback. If you would like to be more involved [please fill out this form](#).

OSE Kudoboard

This year we have decided to forgo our student organization awards ceremony and are pleased to introduce a more inclusive way to acknowledge this unprecedented year.

Our staff has heard many stories of resilience, compassion and grace from many of your student organizations. We are grateful to introduce the [OSE Kudoboard](#) as a way to celebrate and amplify the work of all our student leaders and organizations.

Please take time to acknowledge and celebrate your peers, advisors, staff, or faculty that have helped shape your student engagement experience this year. We look forward to reading our board filled with positivity and gratitude about our community.

CardinalEngage: Leadership Transition

Last month we sent information about how to ensure your leadership information is up to date with our office and some resources for CardinalEngage. Check out our [one-page resource sheet](#) to get started! Please set up your student organization in [CardinalEngage](#) by **Friday, June 18**. In addition, work with your **financial officer** to complete all of your transactions in [GrantEd](#).

In June we will communicate with your designated new leadership regarding training expectations. As we continue to develop our approach for in-person re-engagement, we will be sure to be in touch with

student leaders via **CardinalEngage**. Please be sure to register your new leadership in our platform so we can stay in touch.
